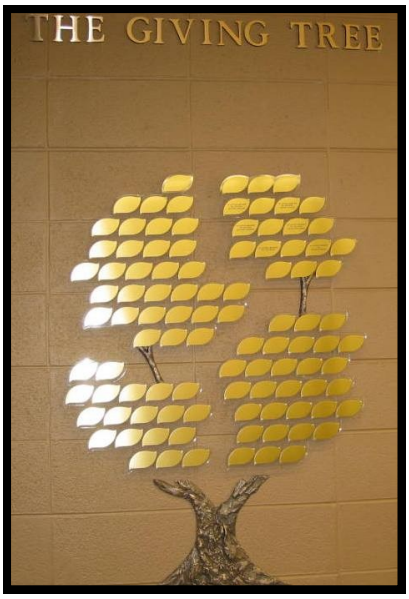
Support The Worth Public Library Giving Tree



The Board of the Worth Public Library invites you to support our library by purchasing a leaf for our Giving Tree. The Tree is prominently displayed near the circulation desk and it will serve as a permanent record of those who made generous gifts to the library.

Adding a leaf to our Giving Tree is an ideal way to honor your family, memorialize a loved one, celebrate a milestone or pay tribute to a business or organization. Each leaf will be engraved with your personal message. All donations will benefit the Worth Library and our efforts to continue to expand and improve our offerings to the community.

YES, I WANT TO HELP THE GIVING TREE GROW!
