

## **CONSENT OF PROGRAM PARTICIPANTS POLICY**

From time to time, the Worth Public Library issues newsletters, updates its website and/or Facebook page, and produces public affairs materials dealing with library services and programs. Photographs, video recordings and audio recordings of library program participants produced for these purposes help the library illustrate the scope and benefits of library use.

By participating in library programs, a participant consents to use by the library of the participant's image in photographs, video recordings, and audio recordings in the library's newsletters, website, Facebook page, and/or library public affair materials. The Library will not name persons in photographs without their or (in the case of a minor) their parent's consent.
